

Klan, White Citizens Council in South Launch Attacks on Integration

Biggest Cross-Burning Rally Held Near Atlanta

By United Press

The Ku Klux Klan, in the biggest cross-burning rally since World War II, and a white citizens council have launched recruiting drives with fiery attacks on racial integration.

Robed klansmen rallied Saturday night around three blazing crosses at Stone Mountain, old-time klan meeting spot near Atlanta.

Imperial Wizard E. L. Edwards of Atlanta told an estimated 3,500 klansmen that the new klan will stay within "laws that are just."

A crowd of 500 persons turned out Sunday near Knoxville, Tenn., to hear John Kasper of Washington, D. C., demand that Tennessee "regain representative government."

Kasper, 26, under indictment on a charge of fomenting a school integration riot at nearby Clinton, endorsed the States' Rights movement which has put up T. Coleman Andrews as its presidential candidate.

Both rallies combined recruiting drives with oratorical attacks on racial integration. Kasper, head of a citizens council at Washington, signed up several members at \$3 per person. Edwards' fellow klansmen were signing up new klan members at the Atlanta rally.

Supreme Court Convened; Minton To Be Replaced by New Justice

Session Faces One of Heaviest Dockets in History

WASHINGTON (U.P.)—The Supreme Court formally convened its 1956-57 session today. It faces one of the heaviest dockets in history.

The 25-minute session was devoted to the usual opening-day formalities.

At the traditional cry of "Oyez, oyez, oyez," the court is now sitting, the nine judges emerged from behind the heavy red draperies and took their places at the high bench for the court's 66th session.

Chief Justice Earl Warren, starting his fourth year on the high court, presided. He first called on Atty. Gen. Herbert Brownell Jr. who presented L. Lee Rankin, recently appointed solicitor general.

Warren welcomed Rankin and praised his predecessor, former Solicitor General Simon E. Sobeloff, who has been named a judge of the 4th U. S. Circuit Court of Appeals.

The remainder of the session was taken up with the admission of 83 attorneys to the bar.

Justice Sherman Minton, soon to be replaced by New Jersey Supreme Court Judge William J. Brennan Jr., sat at his place on the far left of the bench watching the proceedings. Minton is retiring Oct. 15 because of his health.

\$3.4 Million in Soil Bank Payments Through Sept. 21

WASHINGTON (U.P.)—The Agriculture Department announced today it has made \$3,484,906 in soil bank payments to farmers in 29 states through Sept. 21.

The department said that the report, while incomplete, was made public at this time "because of a number of inquiries concerning conflicting reports of payments made to date under the program."

The soil bank program, an issue in the political campaign, took effect last summer. It provides payments to farmers who reduce acreage of surplus crops.

The department said it now appears that farmers will get "somewhat" less than the 261 million dollars it estimated they could earn under the soil bank program this year.

The payments are made through certificates which farmers can exchange at banks for cash. Payments to farmers in other states included:

Illinois, \$32,739; Indiana, \$66,154; Kentucky, \$1,851; Missouri, \$440,038; Nebraska, \$54,003.

Builder Agrees To Try to Halt Water Plant Leak

The new addition to the Harrisburg water treatment plant is still leaking and the Triangle Construction Co., which got the contract to build the addition, is coming back Friday to spend two more days in an attempt to stop the leaks.

This was agreed upon Friday at a meeting called by the contractor's bonding company and held in the office of City Attorney George B. Lee. Present with Mr. Lee were Mayor Claud Gibbons, Commissioner Don Williams, George Sodemann, the engineer on the job; and an attorney representing Triangle.

Triangle, which insists it did the job according to specifications, will work men two days using a new waterproofing material.

The city emphasized that the two more days of work did not mean that it would accept the job as completed.

3,000 Attend Opening of UMW Convention

CINCINNATI (U.P.)—Three thousand United Mine Workers arrived today for their 42nd convention.

Union Chief John L. Lewis was silent, however, on a reported wage increase for 200,000 northern soft coal workers.

Indications were than any official announcement of the increase would come Tuesday when Lewis delivers the opening address to the convention when the UMW wage scale committee reports at the close of the convention next week.

Lewis, 76, has headed the UMW for more than 3½ decades. His speech will be extemporaneous.

The new agreement, according to reports, is still subject to approval by the mine owners and the UMW. It was said to provide a two-step wage—boost totaling \$2 a day or 25 cents an hour, the same as last year.

The UMW represents about 400,000 active and retired coal miners and an additional 200,000 in a wide variety of industry jobs.

Lewis and his top aides looked over preliminary committee work Sunday in preparation for the big show itself.

FBI Agents to Testify Before Grand Jury Investigation of Bank

CHICAGO (U.P.)—FBI agents will be called to testify before a federal grand jury Tuesday in an offshoot of the Hodge case.

Frank McGarr, assistant U. S. attorney, said the investigation involves Leon Marcus, former board chairman of the Southmoor Bank and Trust Co.

Southmoor was the bank where many of the bogus state checks were cashed for former State Auditor Orville Hodge.

The grand jury is investigating commissions allegedly paid by contractors on bank loans.

At a recent U. S. Senate Banking Committee hearing, a witness testified that some of the commissions were diverted from the bank to a fund known as the Southmoor Foundation.

Adm. Doenitz, Successor to Hitler, Freed

BERLIN (U.P.)—Nazi Grand Adm. Karl Doenitz, Hitler's successor as fuhrer, was released from Spandau Prison today and immediately went underground with the help of West German police who clubbed newsmen and photographers.

Police, in a rare display of brutality, lashed out at newsmen with their clubs and smashed the cameras of photographers assigned to cover the release of the man who had just served a 10-year sentence for war crimes.

The Western Allies feared the release of the man who served as fuhrer for eight days in the dying hours of World War II might prompt a small-scale Nazi revival. They reasoned the less said about Doenitz the better and they resolved to crush press coverage of the release.

The police blocked roads to prevent newsmen from following Doenitz when he left the prison with his wife in a luxurious limousine.

Doenitz, 65, left the rambling red brick fortress at four minutes after midnight. He had served every minute of his 10-year sentence for war crimes that included a submarine campaign of terror on the high seas.

Blasts Party Handling Of Inflation

President Speaks At Cleveland; Radio-TV Address Tonight

CLEVELAND, Ohio (U.P.)—President Eisenhower, using the harshest words of his campaign, today accused the Democrats of condoning "paycheck robbery" by not doing enough to halt inflation.

He also accused them of filling the voters' heads with "wicked nonsense" about his administration and with "fancied ills" about the state of the nation.

And he said the last time they were in power "special favoritism, cronyism and laxity" reigned in Washington.

Mr. Eisenhower's strong blasts at the opposition party were contained in a campaign address prepared for delivery today in Cleveland's broad Public Square. The speech marked the first time the Chief Executive has, in political parlance, fully "opened up" on the Democrats in this campaign.

He will follow it up with a second address tonight—a nationwide radio and television talk to be delivered at 9:30 p. m. from the University of Kentucky Coliseum in Lexington, Ky. It will be carried by the Columbia Broadcasting System.

More Speeches Added
The barbs used in today's address, coupled with a White House announcement Sunday that more speeches are being added to the President's itinerary, plainly showed Mr. Eisenhower is toughening up his campaign. The new speeches, the White House said, will be part of a campaign swing into Minnesota, Washington and Oregon Oct. 17-19.

In his attack today on the Democrats' handling of the inflation problem, Mr. Eisenhower said:

"The men of the opposition know perfectly well that one of the main reasons they were thrown out of office four years ago was their tolerance of the thieves of inflation."

He said inflation cut the value of the average American's paycheck by one-third in a seven-year period, "yet the opposition did nothing to stop this economic thievery and they know it."

"The record shows we—not they (Democrats)—have made the most successful fight to stop inflation's robbery of every paycheck," he said.

Denounces Democrats

In this industrial area where are thousands of union members, Mr. Eisenhower also paid particular attention to labor. He denounced as "more than political bunk" and "willful nonsense" what he called the Democratic idea that Democrats "alone truly

Steps Toward a Goal

Editorial — BY BRUCE BLOSSAT Those close enough to White House circles to claim some knowledge of President Eisenhower's attitudes say his desire to reshape the Republican party was a principal reason he decided to run for re-election.

He must certainly, then, be taking encouragement from the recent primary election results in Wisconsin and Utah.

In Wisconsin, Sen. Alexander Wiley, a firm supporter of the President's foreign policy, narrowly defeated a congressman, Glenn Davis, who had been selected by isolationist GOP leaders to sidetrack him.

In Utah, Republican voters spurned the third-term bid of Gov. J. Bracken Lee, one of the most outspoken critics of the Eisenhower administration to be found anywhere in GOP ranks.

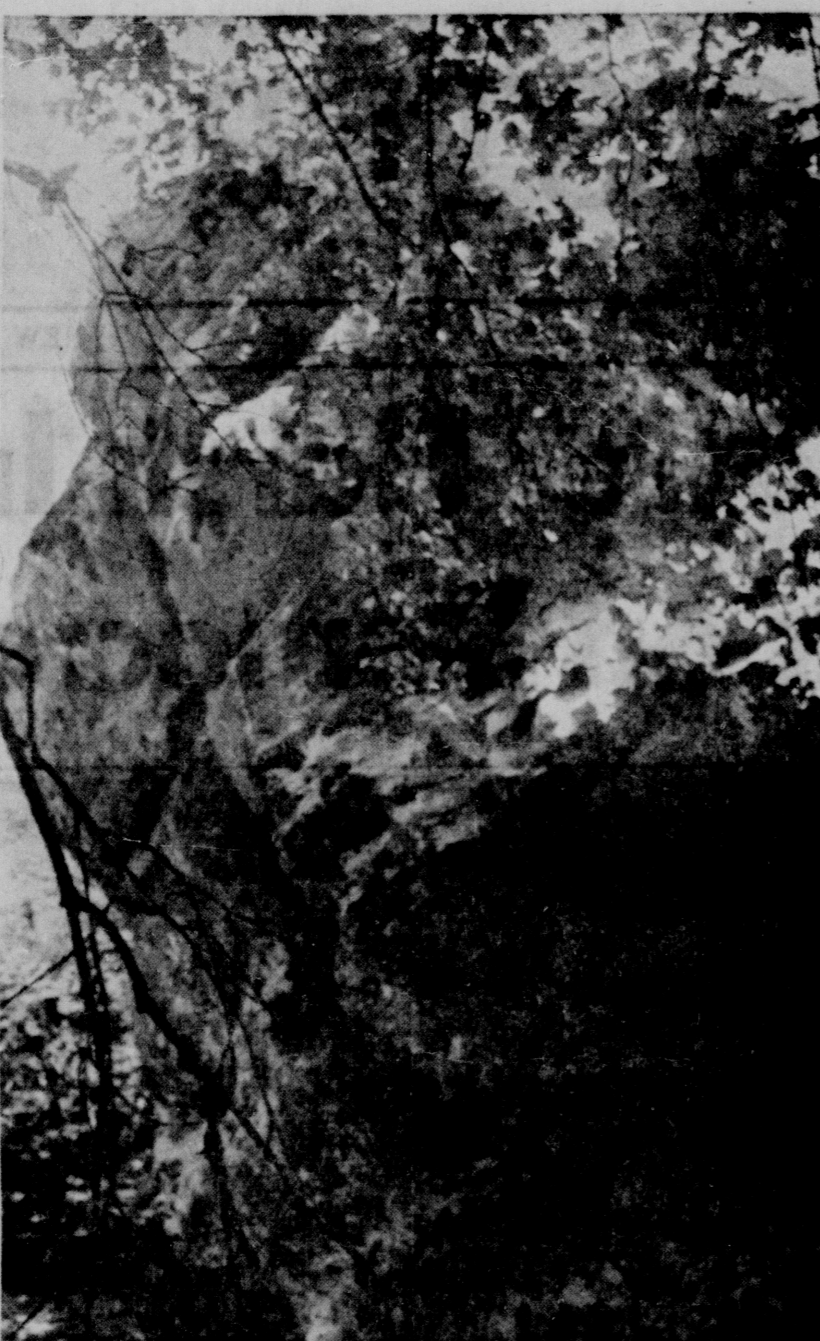

Together these developments constitute victory for forces which would assist the President in re-orienting his party, and a clear setback for those who aim to keep it within an older mold.

Since both these triumphs came in primaries, Mr. Eisenhower took no part in the campaigns. In fact, he deliberately let a number of opportunities go by when he might have given a public pat to Wiley. Possibly the senator might have won more easily had he had such a boost, but the President was insistent on keeping hands off.

As it was, Wiley came through evidently largely on the strength of his long record of service to his state, his wide acquaintance with voters, and the sympathy he engendered by having been dumped by party leaders.

However it was managed, the outcome is a blow to the President's adversaries in the Republican fold.

The same may be said for the victory of 60-year-old George Clyde over Lee in Utah. The governor campaigned vigorously on

Mrs. Marlin Prepares For Fall Season Of Dancing Classes

Mrs. D. M. Marlin of Marlin Dance Studios is preparing this week to open the fall season of her dancing classes.

Mrs. Marlin during the summer spent some time in Chicago studying under some of the world's greatest dance stylists. Among the faculty members were Nina Novak and Leon Danielin, who are with the Ballet Russe, de Monte Carlo, Glen Shipley of California, well known tap dance stylist, Grace McDonald and many other well known dancers.

Mrs. Marlin is a member of the National Association of Dancers and Accredited Artists whose headquarters are in California, also a member of the Chicago Chapter of Dancers.

The Marlin Dance studios are well known for their benefit programs for various school classes and clubs and civic organizations. Registration will be from 11 a. m. to 5 p. m. Wednesday, Oct. 3.

an anti-Eisenhower theme, assailing foreign aid particularly. Since Clyde promised to back the President 100 per cent, Utah voters had a clear issue. They decided it in "Ike's" favor by a clear margin.

Two triumphs do not remake a party, as the President surely understands. But they may serve to fortify his conviction that the goal can be achieved.

Perhaps the most interesting aspect of his effort toward this end is that he is seeking to gain it through establishing an example and practicing the gentle arts of persuasion. He has foregone bludgeoning his opponents, or any use of the cruder political pressures.

Not only the nation's politicians but voters of all faiths will watch keenly to see whether Mr. Eisenhower can stamp his image upon his party by these methods.

Wheat Compliance Rules Changed

"There is a change from previous practice in the determination of wheat acreages which may somewhat affect the operations of many farmers in this area," Edgar V. Thompson, office manager for the Saline County ASC, said today.

Under previous programs a fraction of an acre, grown in excess of the allotment or the 15 acres permitted, was disregarded in determining soil bank eligibility and marketing quota penalty. Excess plantings of less than one acre over the allotment were also ignored in determining compliance for price support purposes.

However, beginning with the 1957 program, acreages will be computed in acres and tenths of acres, and for the purposes of the above eligibility determination, a farm will be deemed in violation if the measured acreage is one tenth (0.9) acre or more over the allotment or permitted acreage, which ever is applicable.

Mr. Thompson also called attention to the fact that farmers may dispose of excess acreage by cutting or pasturing the wheat or turning it under, sufficiently to prevent maturity.

"With this change," warned Mr. Thompson, "wheat farmers should be doubly careful in checking the measurements of their seeded acreage. Suppose a twenty acre allotment has been established for a farm. If the acreage of wheat measures out to 20.1, the farmer is subject to marketing quota penalty and ineligible for loan and soil bank assistance unless the excess one-tenth acre is properly disposed of."

This disposition, continued Mr. Thompson, can be accomplished by May 25, 1957. However, the need for such action can be avoided by careful planning.

The WASHINGTON MERRY-GO-ROUND

by DREW PEARSON

DREW PEARSON Says: Sen. Jack Kennedy Expected To Swing Massachusetts To Stevenson; Ike Winced At Hostile Farm Signs In Iowa; GOP Is Now Hustling To Win.

BOSTON. — If you ask New England political observers whether Eisenhower will carry Massachusetts, most will tell you that it depends on the brilliant young senator from this state who came within a hairs-breadth of winning the Democratic vice presidential nomination at Chicago.

Not all of them will tell you that, of course. Some, like the Italo-American followers of ex-Congressman Foster Furcolo whom Kennedy knifed in favor of Republican Senator Saltonstall, will tell you that Kennedy doesn't have enough power to swing the state. And genial John McCormack, the congressman from Boston and most powerful figure in Congress next to Sam Rayburn, is inclined to consider Kennedy a bit overrated.

Regardless of this, however, the news is that the able young senator has definitely agreed to stump his home state for Adlai Stevenson. If he takes off the gloves, this should mean that Massachusetts, which went for Ike in 1952, will not go for him in November.

Though there was never any question about Kennedy's devotion to Adlai Stevenson, there has been some question as to how far Kennedy would go in opposing Eisenhower. The young senator's father, like a good many of the wealthier Boston Irish, is more conservative than the staunchest GOP Boston blueblood.

Joseph Patrick Kennedy, who made several millions by getting the first Scotch whisky concessions immediately after prohibition ended, was a strong Roosevelt backer, got big rewards from Roosevelt, then all but walked out after FDR appointed him ambassador to the Court of St. James. At London, Joe got pally with the Cliveden set of Hitler appeasers and become so down on Roosevelt foreign policy that he had to come home.

So far Sen. Jack Kennedy hasn't followed his father's political thinking, but he's veering in that direction. Last August the elder Kennedy was in Cannes, on the French Riviera, when his son was making his sensational bid for the vice presidential nomination. Joe spent about 12 hours on the trans-Atlantic telephone trying to switch delegates for his son—and almost succeeded.

Immediately after the Chicago convention the young senator flew to Cannes to be with his father, and was out on a yachting cruise when his wife lost her baby—the second prebirth tragedy in their family.

Young Kennedy is back now, stumping for Stevenson in other parts of the U. S. A. When the time is ripe, he says he will go into his home state and stump every town to swing Massachusetts over to Adlai.

Note—Whether Stevenson wins or not, political observers believe that the rest of the Democratic slate will be elected. Foster Furcolo, who had a fine record in Congress, later was elected state treasurer, is now running for gov-

ernor. He's expected to defeat Lt. Gov. Sumner Whittier Republican. The present GOP governor, Chris Herter, is not running again. It's also expected the Democrats will capture both houses of the Massachusetts legislature — even if Eisenhower should carry the state.

HOSTILE FARMERS

Newspapermen accompanying President Eisenhower didn't play up the hostile signs which greeted like at the Newton plowing contest, but the President himself seemed concerned about them.

Roosevelt used to drive by hostile signs without even looking at them. But Eisenhower seemed somewhat upset when he saw a farmer's boot caught in a bear trap with a sign which read "trapped by Benson's blindness."

There was also a sign showing corn flowing out of a horn of plenty, illustrating the prosperous farm policies of Roosevelt and Truman; with another sign which read: "Ike's peace like Neville Chamberlain's."

The President asked one of his aides who put them there. His concern seemed that of a man who has been liked so much that he was bewildered that anyone should dislike him.

CHANGED ATMOSPHERE

A change has taken place around Republican headquarters. One month ago GOP leaders acted as if they would condescend to campaign, but that it wasn't really necessary.

In contrast, one Republican money raiser recently made this frantic approach to a wealthy New Yorker:

"We know the Democrats are going to take the House and the Senate," he confided, "but with enough help, we can elect Eisenhower. That will give us the veto power over Congress. We've got to elect him."

This adds up to the fact that Republicans for the first time are running scared. They see the political ghost of Tom Dewey over the horizon and are determined not to be taken by surprise again. Ike himself is getting just as

Five Red Nations Invited to Watch Political Campaign

WASHINGTON — Russia and four other Communist countries have been invited to send representatives to this country to observe the current political campaign and the November election. The State Department announced today that the invitations were issued about nine days ago in diplomatic notes to Moscow, Poland,

Hungary, Romania, and Czechoslovakia.

The notes said the Red representatives could "view at first hand the free electoral processes in this country."

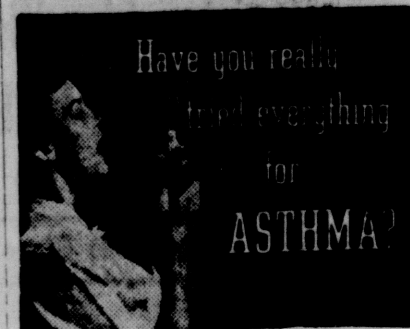

The State Department said it assumed that Americans likewise would be invited to view elections in Communist countries "on the next appropriate occasion."

Invitations were not issued to Communist Albania, Bulgaria or Red China because the United States has no diplomatic relations with these Soviet satellites.

Mrs. Robert Dorris Hostess To Presbyterian Friendship Class at Regular Meeting

The Friendship Sunday school class of the First Presbyterian church met Monday evening, Sept. 24 at the home of Mrs. Robert Dorris.

An interesting program was presented by Mrs. Delma Webb, who spoke on "Women of the Bible." The first of a series of programs on this subject was centered on the lives of Eve and Mary, the Mother of Jesus. Following the program Mrs. Martha Dixon gave the devotion, "Mary of Nazareth." A brief business meeting followed and plans were discussed for a chili supper to be held in November. It was also decided at this time that Christmas cards would be sold again this year.

At the conclusion of the business meeting the hostess, Mrs. Rose Lee Dorris, assisted by Mrs. Lucy Morse, served delicious refreshments to the following members: Mesdams G. C. Benson, Larrie Lands, Trudy Wilson, Delma Webb, Gerry Wilson, Retta Simmons, Martha Dixon, Bea Tepley, Yvonne Wise, Ann McGehee, Gerry James, and Faith Thurman.

The meeting next month will be at the home of Mrs. Margaret Miley.

Mr. and Mrs. Ray Johnson, Mrs. James Thompson, and Mrs. W. B. Hamilton have returned from a two weeks' visit in Washington, D. C., at the home of Col. and Mrs. George H. Blase. Mrs. Blase is the former Fernie Johnson. Mr. and Mrs. Harry L. Reed joined them for a weekend in Washington, and Mrs. Hamilton went with them to Winston-Salem, N. C., for a week's visit, returning to Washington for the remainder of the vacation.

Miss Barbara Ann Mosby, George F. Heise Wed at Carbondale First Baptist Church

Mrs. George F. Heise

Miss Barbara Ann Mosby, daughter of Mr. and Mrs. Clyde V. Mosby of Carbondale, formerly of Galatia, and George F. Heise, son of Mr. and Mrs. George Heise of Murphysboro, were married September 16, at 3 o'clock in the afternoon in the First Baptist church in Carbondale.

Palms and bouquets of white flowers with burning tapers at each side, decorated the altar before which the couple repeated their vows.

The Rev. H. G. Hurley read the double ring ceremony in the presence of 200 relatives and friends. Preceding the ceremony, Martin Freiberg of Murphysboro presented a prelude of wedding music on the organ and played the traditional wedding marches by Lohengrin and Mendelssohn for the processional and recessional. His wife, Mrs. Freiberg, sang "The Lord's Prayer" as the couple knelt at the altar.

The bride, given in marriage by her father, wore a gown of lace over heavy taffeta, featuring a portrait neckline bordered in taffeta. Long tapered sleeves of lace and a wide taffeta cummerbund completed the bodice. The full skirt was worn over a hoop and extended into a short train. Her veil of illusion was secured to a crown of iridescent sequins, outlined in seed pearls. The bride carried a cascade bouquet of stephanotis centered with gardenias.

Miss Peggy Jo Disney of Harrisburg was maid of honor. Her ballerina length, gown, designed to match the bride's dress, was of powder blue brocade taffeta featuring short sleeves, portrait neckline, and cummerbund. She wore a headband of blue with net trim, and carried a bouquet of white and blue baby mums. Her shoes and mitts were blue.

The bridegroom's best man was Wallace Weber of Murphysboro. Ushers were Daniel Strothmann, Indianapolis, Ind., Earl Peyton, Carbondale, Ronald C. Reeder, and Kenneth Seibel, both of Murphysboro.

For her daughter's wedding Mrs. Mosby wore a navy blue nylon lace dress with navy and white accessories. The bridegroom's mother, Mrs. Heise, chose a turquoise sheath dress with black lace duster and black and white accessories. Both wore corsages of white baby mums.

Following the ceremony, a reception was held in the church basement. The bride's table was decorated in white and centered by a four tier cake decorated in white with blue touches. Serving at the reception were Felicia Menkosky, Chicago, Wanda Braden, Harrisburg, and Carol Anderson, Carbondale. Mrs. Bill Norris, Norris City, was in charge of the guest book.

Following the reception the couple left for a wedding trip to Kentucky Lake. For her going away costume, the bride chose a white lace sheath dress with turquoise duster. Her accessories were black and white.

Mrs. Heise attended Galatia Community high school for three years and is a graduate of Carbondale Community high school. She is presently employed as secretary to the Director of Libraries at Southern Illinois University. Heise is a graduate of Murphysboro Township high school and is a senior in the College of Liberal Arts and Sciences at SIU.

Mr. and Mrs. Heise are now at home to their friends at 202 North Poplar, Carbondale.

Among the out-of-town guests at

Mr. and Mrs. Fred Westcott of Tulsa, Okla., returned to their home today after spending a ten day vacation here with her parents, Mr. and Mrs. H. H. Chatfield of RFD 1, Harrisburg. They also visited with Mr. and Mrs. Jerome Bishop of Harrisburg and the four spent some time at Kentucky Lake.

tending the ceremony and reception were Mr. and Mrs. Stanley Raybourn, Raleigh; Mrs. Fanno Bledig, Galatia; Mr. and Mrs. Guy Whipple, Mr. and Mrs. Ernie Tate, and Mr. and Mrs. Harold Scott, all of Eldorado.

Candlelight Home Bureau Enjoys Chili Supper And Regular Meeting

The Candlelight unit of the Saline County Home Bureau met Wednesday evening, Sept. 26, at the home of Mrs. John Foster, 710 South Granger street, for a chili supper, served with a variety of relishes and coffee. This was served to the 22 members present at card tables very nicely decorated with large golden apples serving as candle holders. Assisting Mrs. Foster were Mesdames Glynn McCormack, Ed Cole, Ed Bean and Harold Hansen, all officers of the unit for the previous year and it is a tradition of the unit for the outgoing officers to entertain the group at the close of the year.

Various games were played and Mrs. Fred Wiley and Mrs. James McGowan were prize winners.

At 7:30 the members journeyed to the home of Mrs. Fred Wilmoth for the regular meeting of the month.

The business meeting was presided over by Mrs. Ed Bean, chairman, at which time the following appointments were made: Mrs. Harold Empson, special projects chairman; Mrs. Olen Ingram, recreation chairman; Mrs. Arthur Franks Jr., health chairman; Mrs. J. W. Norman, 4-H chairman; Mrs. Earl Clark, publicity chairman, and Mrs. James McGowan, membership chairman.

The announcement was made of a special meeting to be held at the city hall Oct. 3 on "Purse Making" for those interested.

The minor lesson, presented by Mrs. Harry Elmer Wirth, was on "Winter Arrangements." Various materials were suggested as being suitable for this type of arrangement, including wheat, barley, gold-rod, vegetables of different kinds and gourds, to mention a few. Methods of gathering and preparing were discussed.

The major lesson was given by Mrs. Bill Gall and Mrs. Ed Bean on "Planning Emergency Meals." A list of foods adaptable to emergency preparation was suggested as well as different types of emergencies, which could mean an atomic attack or merely a bridge game that lasted longer than usual. After this, the group was divided into four groups and each group planned a meal in keeping with some type of emergency.

The meeting adjourned with the announcement that the October meeting would be held at the home of Mrs. John Wagner and that the members would not mask as is the usual custom for the Halloween season.

Assisting Mrs. Wilmoth were Mesdames Shannon Taylor, Harold Empson and Harry Elmer Wirth. Refreshments of angel pie and coffee were served at the close of the meeting.

Funeral services were held today at 2 p. m. at the Sesser First Christian church for Windsor Brayfield, 62, veteran of World War I and postmaster at Sesser, who died Saturday in the Veterans hospital at Marion. Burial was in Maplehill cemetery at Sesser.

In Memoriam

In loving memory of Coy Har-
ner who passed away Oct. 1, 1955:
Little we knew with the dawn that
morn,
The sorrow it would bring:
The blow was hard, the shock
severe.
We little thought the end was
near.
If all the world were ours to
give,
We would give it, yes, and more,
To see your smiling face again
Come shining through the door.
Sometimes it is hard to under-
stand
Why some things have to be,
But in His wisdom God had plan-
ned
Beyond our power to see.
God gave us strength to bear it,
And courage to meet the blow.
But what it means to lose you,
This world will never know.
The beautiful things you did for
us,
Live in our heart each day,
And keep you near and dear to
us,
Though you have passed away.
Sadly missed by his wife, Lois,
and children.

Long Touchdown Runs Highlight Central Michigan Win Over SIU

MT. PLEASANT, Mich.—Touchdown runs of 65 and 91 yards and a 74-yard punt return highlighted a 32-13 Central Michigan victory over Southern Illinois University here Saturday afternoon.

The game was sweet revenge for the Central Michigan squad, which last year went through the season undefeated except for a 14-13 upset loss at the hands of SIU. The Chippewas are unbeaten this season, previously dumping Bradley and Western Michigan.

Southern took a 6-0 lead early in the second quarter, but two quick Central Michigan touchdowns put the Salukis on the short end of a 12-6 count at halftime.

Despite injuries to several key players, Southern regained the lead in the third quarter as halfback Carver Shannon, Corinth, Miss., sophomore, grabbed a punt on his own 26 and with the aid of several key blocks picked his way 74 yards for a touchdown. His extra point try was good to put the Salukis ahead, 13-12, but Central pushed across three touchdowns in the last quarter and a half to take the win.

Sporting three backfield men who can run the 100-yard dash in

0.9 or less, Central has one of the fastest teams in the country, and it was this speed plus an excellent reserve strength which paved the way for the victory.

Leading speed merchant was Jim Podoley, a decathlete performer who narrowly missed going to the Olympics. A football uniform only emphasized his track ability as he made two long touchdown runs and was the game's leading ground gainer with 134 yards in 6 carries—an average of 22.3 yards per try.

Podoley swept around Southern's left end for 91 yards midway in the second quarter and in the third period he took a pitchout for 35 yards and another touchdown.

Other Central touchdowns came on a 33-yard off-tackle sprint by fullback Bob McNamara, a one-yard plunge by halfback Don Weichert, and a 65-yard quick-opening play off left guard by Bob Case. Richard F. watch added the extra points for Central.

Shannon scored all 13 points for SIU, smashing over from the four in the second period before making his 74-yard punt return in the third stanza. He also supplied the extra point and paced Southern in rushing with 77 yards in 10 carries.

SIU was outrushed, 384-110, and was behind in passing yardage, 85-14, but did fare better in punting as John Abramovitch, Haverhill, Mass.; Dave Wheeler, Chicago; and Charles Hamilton, Herrin, averaged 35.2 yards for the 10 Southern punts. Central returned only two of these punts both for short yardage.

Southern will have only two practice sessions before leaving for a Thursday night encounter against Bradley University in Peoria. The two teams tied, 7-7, in their first gridiron meeting last year.

Eisenhower to Attend Opener

CLEVELAND, Ohio.—President Eisenhower has accepted an invitation from Brooklyn Dodger President Walter O'Malley to attend the opening game of the World Series with the Brooklyn Dodgers next Wednesday.

Adlai Stevenson, Democratic presidential candidate, also has accepted an invitation to attend the third game of the series, at Yankee Stadium, Friday.

SIU Sports Briefs

CARBONDALE, Ill.—A record-breaking number of 51 candidates turned out for the opening of Junior Varsity grid practice at Southern Illinois University this week.

Junior Varsity Coach Jim Wilkinson said he was well-pleased with the big turnout, but was worried about how he could get a team into shape for its opening game against Eastern Illinois here next Thursday afternoon (Oct. 4).

Other scheduled games: Oct. 8, Washington Univ., there; Oct. 18, Eastern Illinois, there; Oct. 22, Washington Univ., here.

CARBONDALE, Ill.—One of the star pitchers in the All-Army baseball tournament at Ft. Dix, N. J., last week was a former Southern Illinois University athlete, Ray Rippelmeyer of Valmeyer.

Rippelmeyer pitched his Ft. Carson (Colo.) Mountaineers to a win over the Army's entry from Europe, going all the way and striking out nine.

The 23-year-old soldier played college baseball for two years at SIU before turning professional, playing for two years in the Milwaukee Braves' farm clubs at Toledo, Evansville, and Atlanta.

CARBONDALE, Ill.—Contributions to the drive to send Southern Illinois University's veteran track coach Leland P. (Doc) Lingle to the Olympics is nearing the \$500 mark, according to the SIU Alumni Service, which is serving as a clearing place for donations.

So far, more than 100 persons, clubs, and firms have given to the drive, which has a goal of \$1,600 to send Lingle to the November Olympics. One of the Olympic performers will be Phil Coleman, former athlete, who will run in the 3,000-meter steeplechase.

Southern's President D. W. Morris presented an "I" blanked to Coleman in a special presentation ceremony at the SIU-Illinois Wesleyan grid game last Saturday.

Holder of SIU's high jump record, Harold Hartley, Carbondale, who is chairman of the drive, said that donations should be sent to the "Doc Lingle Fund" in care of the SIU Alumni Service. Receipts will be given.

So far, contributions have come from states as far away as Virginia, Georgia, and Colorado.

CARBONDALE, Ill.—Ron Underwood, Granite City prep tennis star, has entered Southern Illinois University.

Underwood won the Southern Illinois Open Junior Singles tournament held in August.

CARBONDALE, Ill.—Ray Tabacchi of Auburn, SIU shortstop this past spring, has returned to his studies at Southern Illinois University after playing Class D baseball with the Seminole, Okla., club this summer.

When Tabacchi joined the club, it was in eighth place, but the team moved into third place by the end of the season and went on to capture the league playoffs.

Tabacchi batted .241 and turned in one of the best fielding averages in the circuit.

Legion Beats Norris City, 9-5, In Tournament

McLeansboro Drops Paducah; Locals to Play Murphysboro

The Harrisburg Legion slugged out a 9-5 win over a hard fighting team from Norris City Sunday to reach the finals of the Harrisburg Invitational tournament being played on the VFW field. McLeansboro beat Paducah, 4-1, to earn the right to play Norris City for third place in the tournament.

Murphysboro, which drew a second round bye, will play the Legion in the final game.

The Legion started the scoring in the first inning when Odle, Romonosky and Guley singled in succession. Norris City took a temporary lead in the second on a hit by Bartnicki, a walk and an error on Douglas' topper. Harrisburg added two runs in the third on hits by Logsdon, Odle and Romonosky.

Odle led off the fifth with a hit. Romonosky laid down a bunt and beat it out and Guley doubled them both home. The Legion scored again in the seventh on Dallas' hit, a passed ball and Dailey's second hit.

Norris City bounced back in the eighth on an error, an interference play and hits by Englebright and Barter to score three runs.

The locals came right back in the eighth and scored three times when Logsdon walked, Odle was safe on an error, Romonosky was intentionally passed and Guley slashed out his third hit to drive in all three runs.

Kreher, McLeansboro's young pitcher, hurled a neat four-hitter to assure his team a chance for third place in the tourney. Paducah had a soft-throwing lefty on the mound and although he wasn't hit hard McLeansboro did a good job of baserunning and came out on top, 4-1.

The tournament will continue next week end.

Mickey Mantle, Hank Aaron Win Batting Titles

NEW YORK.—Mickey Mantle of the New York Yankees and Hank Aaron of the Milwaukee Braves made off today with the major individual honors of the 1956 baseball season.

Mantle, climaxing a year in which he posed a threat to Babe Ruth's home run record until mid-September, wound up the American League's triple batting crown when he led the circuit with a .353 average, 52 homers and 130 RBIs. Mantle also led with 132 runs scored.

The Yankee outfielder finished eight points ahead of the Boston Red Sox' Ted Williams in batting and two ahead of the Detroit Tigers' fast-closing Al Kaline in the RBI race.

Aaron won the National League batting title with a .328 mark, nine points higher than Bill Virdon of the Pittsburgh Pirates and was also the only major leaguer to collect 200 hits. Duke Snider of the Brooklyn Dodgers won the NL homer crown with 43 and Stan Musial of the St. Louis Cardinals won the RBI title with 109.

Cardinals Top Cleveland Browns, 9 to 7

By United Press
The Chicago Cardinals topped a string of four upsets in the National Football League opener Sunday by stealing the old and new tricks of the champion Cleveland Browns for a 9-7 triumph.

It was the first time the Cardinals have beaten professional football's most successful team. And they did it by kicking three field goals—one of the weapons the Browns have used so successfully in winning six Eastern Division titles and three league crowns since 1950.

The Cardinals even beat the Browns in what had loomed as a duel of "space helmets." Coach Paul Brown had planned to use his closed circuit radio system to talk to his quarterback but it broke down and he had to use his old system of alternating guards to call Cleveland's plays. Coach Ray Richards popped up with a surprise electronic hearing device and used it to call about half the Cardinal plays.

The Los Angeles Rams and New York Giants were the only favorites able to win as the league began its 37th season. The Rams defending Western Division champions, defeated the Philadelphia Eagles, 27-7, and the Giants beat the San Francisco Forty-Niners, 38-21, but the underdogs made merry in the other games.

The Baltimore Colts, with quarterback George Shaw passing for two touchdowns and setting up two others, upended the Chicago Bears—pre-season favorites for the Western Division title, 28-21; the Pittsburgh Steelers whipped the Washington Redskins, 30-13; and the Detroit Lions edged the Green Bay Packers, 20-16.

Dodgers Vow to Smash Series Jinxes; Oddsmakers Favor Yankees

First Two Games Scheduled At Ebbets Field

By LEO H. PETERSEN
United Press Sports Writer

NEW YORK.—The Brooklyn Dodgers who did it the hard way all season, vowed today to smash the National League's two longest World Series jinxes by making it two in a row over the New York Yankees.

Weary but determined after their spine-tingling, final-day triumph in one of the most nerve-wracking pennant races of all time, the battling Brooks found themselves in a familiar position. The oddsmakers are saying they can't do it and have installed the Yankees as 7-5 "man-to-man" choices to win their sixth world championship in seven tries under Casey Stengel.

The odds-makers also listed the Yankees as 6-5 choices to win the opening game at Ebbets Field Wednesday on the assumption that 19-game winner Whitey Ford will pitch for them against Sal Maglie, the Dodgers' 39-year-old no-hit comeback veteran.

But the Dodgers grew accustomed to laughing at the odds during their season-long, uphill battle with the Milwaukee Braves. They're certain they can break the senior circuit's long-standing jinxes. For, not since 1907-08-09 has the National League won three straight World Series and not since 1921-22 have the Yankees dropped two straight classics.

Brooklyn is confident it will find a series winning formula, doing it last year when they beat the Yankees in seven games to win their first series in eight tries. It will mark the seventh series between the two clubs, their fourth

in the last five years. The first two games are scheduled for little Ebbets Field with its seating capacity of only 32,000 on Wednesday and Thursday with the next three games at the 68,000 seat Yankee Stadium on Friday, Saturday and Sunday. If the sixth and seventh games in the best four out of seven series are necessary they will be played in Ebbets Field on the following Monday and Tuesday.

Alston Calm
Brooklyn Manager Walt Alston took the pennant triumph calmly in contrast to a riotous club house celebration by his players. He said he hadn't "given any thought to World Series pitching plans."

"Maglie would be the guy, but I don't know if he can work with three days rest," Alston added. "I want a guy who can keep the ball low in this park."

Stengel, when advised of those National League jinxes, said "I don't believe in 'em."

"I wouldn't be starting this here Ford at Brooklyn if I did," he grinned.

The Dodgers usually murder southpaw pitching in their own park, and Ford, when asked whether he ever had pitched in Ebbets Field, replied:

"Yes, but not for long."

Yankee Stadium Sold Out
All seats for the series games in Yankee Stadium were sold out within 24 hours after the tickets were placed on sale. The Dodgers will start selling tickets on an over the counter basis only at 6 p. m., EDT, today with a limit of two tickets to each Brooklyn game per customer.

Maglie worked Saturday, the first of the three straight victories the Dodgers scored over the Pirates to take the pennant. The climax came Sunday when Duke Snider and Sandy Amoros powered the Dodgers to an 8-6 dramatic triumph as Big Don Newcombe, with relief help from Don Bessent in

the eighth and ninth innings, registered his 27th victory of the season.

It was a heart-breaking finish for the Braves, who several times seemed to have the pennant in their grasp, only to let it slip away.

These three basement photographs show how a properly engineered heating system is streamlined to offer minimum friction to the high velocity flow of air. The main take-off (left), side take-off (center), and register take-off (right) are curved and banked like a streamlined highway.

The very best furnace, poorly installed, is like a car on a rocky road. It's a well-known fact that modern speed makes streamlined roads a must for motoring comfort. With forced-air heating, the same is true. A new furnace can't produce comfort by itself. There must be streamlined highways of duct and pipe for the fast-moving air as it travels from your furnace to your rooms. Your homes need a heating system designed by an expert comfort engineer.
